

TO HAVE & TO HOLD

Introducing EzyHOLD by Carter Holt Harvey

New EzyHOLD double walled hot beverage cups offer enhanced insulation.

- Prevents heat transfer so it's not too hot to hold
- No need to use a sleeve or second cup
- Superior print quality
- Wide range of designs available
- Custom print design available

EzyHOLD is available in Matt or Gloss finish and uses the same lids as the Carter Holt Harvey standard paper coffee cups.

- ☑ Australian made
- ☑ Fast delivery
- ☑ Outstanding service

Australia and New Zealand orders welcome.
30 day payment terms available to approved customers.

Foodservice Packaging

Benefits for you & your customers

Carter Holt Harvey proudly introduces the latest addition to its range - EzyHOLD, a double walled insulated hot beverage cup. Now there is no need to use a sleeve or second cup to prevent heat transfer, the new EzyHOLD cup keeps beverages hot and hands cool.

- **MADE WITH PAPER**
 - sturdier than poly cups on the market
- **ELIMINATE SPILLS**
 - unique tight fitting lid
- **PROMOTE YOUR BUSINESS OR PRODUCT**
 - we can custom print all cups and designs to your needs
- **STRONG CONSTRUCTION**
 - cup remains rigid when full
- **AVAILABLE IN POPULAR 8OZ, 12OZ, 16OZ SIZES**
